Profile

Angular Developer with 3+ years of experience building responsive, high-performance web applications using Angular, TypeScript, and JavaScript. Skilled in debugging, Agile methodologies, and version migrations, including upgrading projects from Angular 10 to 14.

Skills

Angular ∣ AngularJS ∣ TypeScript ∣ JavaScript ∣ RxJs ∣ Debugging ∣ Restful API ∣ Postman ∣ JQuery ∣ Agile methodologies ∣ Bootstrap ∣ CSS3 ∣ HTML5 ∣ GitHub

Work Experience

Com1 Communication Technologies Pvt. Ltd.   06/2023 – present | Nagpur, India
Angular Developer

Angular Migration
- Migrated the application from **Angular version 10 to version 14**, enhancing performance, security, and compliance with modern web standards.

People Admin - Angular (10th version):
- Implemented a responsive data grid using **DevExtreme in Angular** for efficient data management and visualization.
- Developed a **right panel feature** that displays detailed contact information upon clicking on grid contacts, **with editable access for staff and read-only access for users**.

Locarla AI - Angular (15th version):
- Built a **ChatGPT-like application** in Angular that understands natural language queries, allowing **users to interactively retrieve housing data through chat prompts**.

GIF Technologies Pvt. Ltd.   04/2022 – 06/2023 | Nagpur, India
Assistant Executive Development

Messaging Mail Module - Angular (5th version): Designed a responsive messaging mail module enabling **users to manage their inbox efficiently**.
Features included:
- View, reply to, and forward emails.
- Search functionality to find specific emails by subject.
- Pagination and multi-select options for bulk actions like deleting multiple emails.

Freelancer   06/2020 – 01/2021 | Nagpur, India
Web Developer

- **Designed and developed responsive web pages** using HTML5, CSS3, JavaScript, and Bootstrap, ensuring seamless performance across devices and browsers.
- **Worked with clients to gather and understand requiremen**ts, translating them into functional and visually appealing user interfaces.

Education

S.B. Jain Institute of Technology, Nagpur.   06/2016 – 06/2019 | Nagpur., India
Bachelor of Engineering (BE)
Electronics and Telecommunication
